Last Week's Program: Joyce Tannian – Kenyan water projects

Joyce gave an impromptu talk about her job in Kenya. She is from Newark and has visited the club in the past. She works for a non-profit in Kenya that does water projects. Most of these projects involve drilling wells and installing related equipment.

A simple well does many things besides providing clean drinking water. The time women and girls take to walk miles is freed up, allowing them to further education for themselves and their families

District News & Event

District Governor Jim's Message:

Dear Fellow Rotarians;

It is with great sadness that I report the recent loss of one of our brothers in Rotary, Past District Governor Cliff Embley. Governor Cliff was an inspiration to many in our District and was a good friend to me as I traveled this journey as your Governor. Cliff always had a smile and an encouraging word each time we met. Cliff is now at peace with no more pain, but I ask everyone to keep Joyce and the entire Embley family in your thoughts and prayers.
