4-29 Ricky Nietubicz – Downtown Newark Partnership
City of Newark

The Downtown Newark Partnership is a cooperative between business, U of D
and the City. It is run by various committees and puts on several events each
year. There over 200 businesses in the downtown area.

He discussed the constant change, and how the design committee reviews
proposals and architecture prior to approval.

The partnership also focuses on parking. They try to get patrons to use lots to
free up street metered parking for more short term needs. Many businesses
validate parking
